

FOR IMMEDIATE RELEASE

ADSI, (www.adsionline.com) IS PLEASED TO ANNOUNCE THE ADDITION OF JIM REILLY AS ITS NEWEST SALES EXECUTIVE.

Hoffman Estates, IL, February 11, 2010 ADSI, a highly recognized provider of systems integration for ERP, WMS, distribution and wireless solutions throughout the world announces today that Jim Reilly has joined the company and will support the continuous growth for ADSI in the Northeast United States.

With more than 25 years as a mobility products professional, Jim offers vast experience in helping ADSI client's solutions to increase productivity and profitability through the implementation of ADSI's unique product and service line.

"We are pleased to welcome Jim to ADSI" said Bob Fischer, company president. "Jim's insight and track record in the industry made him the perfect choice to assist us with the continuous growth of our company. I am confident that Jim will help many new ADSI clients take their business to the next level of success."
